**Songs, Stories and Fun for Babies and Tots!**

Professional actress and singer, now teacher, ReBecca Armstrong offers 2 different, nurturing, confidence building Story time and Circle song classes. Filled with fun, movement, storytelling and rhythm, this program builds developmental skills for Infants and Toddlers. Using their imagination and stimulating their minds to help improve fine and gross motor skills as well as encouraging early literacy. Structuring each "circle" to the kids participating, ReBecca builds confidence and self esteem through hands-on learning and most importantly having fun!
